a longstanding and highly regarded assisted living and memory care community in CT. We have been providing wonderful care for Glastonbury seniors for over twenty years. We also offer a select number of apartments at **reduced rates** to serve income qualified older adults through an agreement with the town of Glastonbury!

Discover assisted living the way it should be! Our Harvest Dining Program features fresh, seasonal menu items and we offer Fun and purposeful social engagement programming.

Memory Care: What is ThriveCare?

At Addison Place, ThriveCare® is both our lifestyle and our therapy program. This unique holistic program of nurturing care is offered to every resident.

The Thrive neighborhood at Addison Place is exclusively for seniors with memory loss; therefore, we regularly train our entire staff in techniques specific to Alzheimer's and related disorders. This unique approach is how we incorporate the latest in advanced research and personalize it to each resident's interests and needs.
